

Guided Spring Turkey Hunts - Washington

Located in Washington State on the east flanks of the Cascade Range is some of the best isolated Turkey hunting in the World. This trip is truly like no other with excellent terrain and no competition from other hunters it's the ultimate adventure.

Join one our professional guides whose knowledge of this Wilderness is second to none.

Season April 15th - May 15th

Hunt thousands of acres of Turkey habitat using 4X4 or drift boat to travel to the many hunts.

Trip includes: one nights lodging, day hunt and Lori's (awesome) cooking.

You are allowed two Toms per person. We do one or two customers per guide, so we can handle groups of four (Special arrangements for larger groups can be made).
